**Subject:** Letter to Chairman Pai & Information

Ms. Bender,

Good afternoon!

I had the distinct honor of meeting you and Chairman Pai last Friday in Columbia, TN at regional meeting held by Congresswoman Blackburn. I appreciate the opportunity I was given to ask Chairman Pai for an update on the 2012 Tennessee Consortium appeal and very grateful for his offer of checking into it for me and letting me know. As directed, I am sending you the letter I prepared for him with supporting documents about this matter. I have mailed you a copy of this as well in case that would be better for you.

Please be sure to thank Chairman Pai for me and let him know how much I appreciate him taking the time to look into this issue and would appreciate any help and support he could give. This appeal will have a tremendous financial impact on forty-three school systems across the state of Tennessee and most are just like me anxiously awaiting the decision in order to make budget decisions that have huge impacts on our students and teachers. For my school system alone, the 2012 appeal still pending will have a \$196,138 impact on our budget depending on the decision.

Thanks again for your time and I look forward to hearing from you or Chairman Pai soon. I wish both of you the very best always please feel free to call on me any time if there were to be any further questions.

**Best regards,**

***Michael Davis***
